

Segovia

What to see:

In this thousand-year-old city, you'll find one of the most famous Roman aqueducts in the world, ***el acueducto de Segovia***, as well as the magnificent castle, ***Alcazar***, which really resembles a castle from Disney World.

More importantly, while you're in Segovia you must try their star dish – ***cochinillo asado*** – roasted suckling pig which is cooked so tender that it's tradition for the waiters to slice it in front of you with the side of a plate.

Although I haven't succeeded in finding Segovia's best *cochinillo*, I highly recommend going to the restaurant [Candido](#) which is easy to find as it's situated in the Aqueduct's plaza and its ambiance is very special.
