

# Discover The Hat's secret rooftop bar. You're welcome.

Madrid may be landlocked, but it has some pretty unbelievable [rooftop bars](#), and you'll find my favorite at **The Hat**. Why? Because it's laid-back, central and totally unexpected.

Just a stone's throw from Plaza Mayor, **The Hat** is a hotel – but the kind you've never seen before. The first hotel in the city to run on biomass energy and appeal to 'smart travellers', The Hat boasts ultra-modern interior design and also holds free walking tours and markets.

**TRAVELLERS**

But the best part is the rooftop bar, where you can enjoy the quaint views of Madrid's old buildings while basking in the sun and sipping on your favorite **iced** drink... How could you not want to spend the whole day up here?

James and I first discovered this secret **terraza** during winter, thanks to a small yet very clear sign out on the street.

With **outdoor heating and a nice indoor space**, The Hat's rooftop bar quickly became our spot. It's cozy on even the coldest winter night in Madrid. Along with a glass of red, I always ordered the **tosta de queso de cabra con cebolla caramelizada** (toasted bread with goats cheese and caramelized onions) and James got the **pincho de tortilla**. Both come with a **side of potato chips and a shot of salmoneiro** (a wonderful little addition to an already delicious treat). I've also got my eye on their **quiche**, although I haven't tried them yet.

Yesterday, we finally made it up to **The Hat's rooftop bar** for the first time this Spring. On one of those perfect sunny days in Madrid, we thought it would be impossible to find a table – but we did! And it was simply the nicest place to spend a day like that in the bustling city center. The only downside is that if you don't get a seat in the shade, Madrid's sun can be quite intense. So remember to get something to cool off – I recommend a **mojito** or **tinto de verano**.

The Hat will certainly be included in the upcoming round four of our series on [Madrid's best rooftop bars](#), though it deserved its own post too.
