

Somos Coworkers: Ditch your noisy local café for a proper coworking space

If you're a freelancer—or generally someone in constant search of the perfect workspace—you know the struggle of finding a coworking space that checks all the boxes: strong wifi, plenty of space, and an environment conducive to concentration (I'm looking at you, loud hipster cafes).

[Somos Coworkers](#) checks all those boxes and more ("more" mainly refers to very cute pets; more on that later). Located in the west part of the city near Ventas, the bright space is enormous, clean, and perhaps most importantly, draws a crowd of hardworking professionals.

The main coworking space

Perfect for grabbing a bite al fresco

I first got a taste of the space with my coworker Joss. We were warmly welcomed by cofounder Kimberly Neuterman, who showed us around, offered us some (unlimited) coffee or tea in the newly renovated kitchen, and got us all settled in with **high-speed wifi** (very important).

The space is split up into three main areas: the kitchen, which is fully equipped; the indoor coworking space; and the outdoor courtyard (pictured above).

Kitchen equipped with two microwaves, an oven, stove, fridge, coffeemaker...

Long-term, Kimberly plans to use this space and the connected—currently unused—space to host **community-building events for freelancers**. Whether you're a writer, photographer, consultant, graphic designer... there's a place for you in this space to work, learn, and share ideas.

Need a private meeting room? Somos Coworkers has you covered there too.

Don't be offput by the lack of decor—they're new in town!

And most importantly, members share this space with THESE ADORABLE FURRY FRIENDS.

So sleepy, so zen.

So....the opposite

And finally, the question you've all been thinking... The prices. The cost of the space is 110€/month for half days and 150€/month for full, unlimited access. And if you have a group of 4 or more people you'd like to work with, you can also get a special group rate. If you're looking for a regular workspace where you can count on being productive, this is the place for you.

Learn more about the workspace on their official [website](#).
