

5 best places to order vegan and vegetarian takeout in Madrid

If you cast your mind back to pre-lockdown Madrid, pollution alerts on public transport, *the brown cloud*, and fiery political debates on the future of *Madrid Central* were as much part of everyday life as *la hora del vermut*. Let's be honest though: a lot's changed since then.

It's hard (sometimes impossible) to find positives in this "new normal." But aside from the politicians and medical staff, there's someone else who's pretty grateful we're all staying safe at home – Mother Nature. The city's air is the cleanest it's been in decades and as a result, life's returning to our green areas. If that sounds like something worth celebrating, then why not hang up your apron for the evening and order some takeout?

We know, that doesn't exactly sound like eco-friendly advice. However, as the city's once burgeoning vegan and vegetarian restaurant scene fights for survival, with owners desperately clambering to adhere to new hygiene laws in order to keep their doors open, there's no need to beat yourself up about (slightly) increasing your carbon footprint.

After all, if we want these sustainable eateries to remain part of Madrid's cosmopolitan culinary revolution, then they need our support now more than ever. So, if you've tried out enough new recipes to last a lifetime and you're craving some fresh falafel, here's a round-up of the best vegan and

vegetarian eateries offering home delivery during lockdown (and beyond)!
