

San Lorenzo del Escorial

What to see:

El Escorial is famous for its beautiful *Monasterio* which was built between 1563 and 1584. We recommend going inside the monastery, even though the entrance fee costs €10.

Once you've visited the monument, it's absolutely necessary to take a walk around the charming little town. Grab a seat at a *terrazza* and enjoy the pure air of the city's mountains, known as *la sierra de Madrid*.
