1. Lima Creative Nails

Located in Chueca, this nail salon has been a true discovery for many reasons. What my friends and I liked the most about **Lima Creative Nails** is that their services are very affordable and **they even provide special treatments for men**, because, come on, who said that mani-pedis were just for women?

I stumbled upon **Dama Nails** while running errands around **my neighborhood (near metros Conde de Casal, Melendez Pelayo and Pacifico)** and fell in love with it. You can find all the colors under the sun and **they only use the top brands: Essie, Masglo and Opi**. The prices are great and you can usually find promotional deals for manicures and pedicures. For example, I got a 3-pack of manicures and pedicures for €30 euros; and that day I also bought several Masglo colors. I recommend making an appointment.

Beauty Series for the Ladies: Madrid's Best Nail Salons

Getting ready for a dinner party or just need a relaxing moment to yourself? In that case, nothing's better than a **wonderful manicure and pedicure…**

In Madrid, you can have a mani-pedi in practically all hair salons and beauty centers. However, many of these places are often not the best, as they are either too fast or don't use the appropriate tools, plus hygiene can be really questionable. At **Naked**, we bring you **our list of great places for manicures and pedicures**.

Apart from offering an enjoyable experience and stylish setting, these are my requirements for **mani-pedis**: cleanliness, value, quality products and professionalism. The first three places on this list are nail institutions here in Madrid—they throw nail parties and events, great for hen/bachelorette parties. **Happy mani-pedis girls!!**

1. Mi Calle de Nueva York

My experience at **Mi Calle de Nueva York** has been **wonderful**. It reminds me of a loft in Soho. The brands they work with are the best on the market and the quality of their treatments is fabulous. It's a real luxury for your hands and feet.

Not to mention they also do **waxing, threading, and have just introduced a new "Eyebrow Shaping" service.** If you, like me, have no idea what that means, it's getting your eyebrows professionally done – waxed and tweezed and all – according to the shape of your face. They literally take out a ruler and start measuring.
