

The Hovse Pop-up Vermouth & Tapas Bar

As you may have already noticed, Madrid has a thriving pop-up events culture including markets, restaurants, shows, and more. On this occasion, we're looking at **#TheHovse 2014**, hosted by [La Vermutería](#), a travelling vermouth bar, and [Better Es Mejor](#), an agency that is also currently organizing [The Table](#), a pop-up restaurant at Hotel Urso.

Open from 12pm-9pm and located in a "house" on Calle General Arrando 40, you should pop up for some vermouth, tapas and music spun by a live DJ. It'll be here until December 24th but it's looking pretty packed already, so go!
