Autoplacer, free underground music festival in a museum in Mostoles

Autoplacer is a 12-hour underground music festival that will take place on Saturday, Oct. 25th, in **CA2M (Centro de Arte Dos de Mayo),** a contemporary arts center located in Mostoles. The festival prides itself on showcasing the newest and edgiest trends in music and a do-it-yourself attitude. At this 5th edition of **Autoplacer**, expect a great line-up of concerts from bands such as Violeta Vil, Los Caramelos, Espanto and Ama Ia.

You'll also find **Zecchini vermouth** being served by **La Vermutería**, a very cool "pop-up" vermouth bar that travels around Madrid, setting up vermouth parties that are not only fun but child-friendly, too. There will also be live DJ sets.

On Monday and Tuesday, the festival will continue to Medialab Pro and **EL Matadero**. Find out more **here**.
