

La Latina Pincho Week – beer and (42) pinchos will cost you €2.50

Get to know the gorgeous neighborhood of La Latina through its pincho week! 42 bars will be serving their own creative pinchos, which you can get for just €2.50 with a beer. This is definitely a fun way to discover new bars and a fantastic excuse to spend an evening with friends “pincho-hopping” in La Latina.

We haven’t been able to find the route link so your best bet is to just get off at La Latina metro stop and wonder around until you stumble upon the pincho bar you like. The poster should be on the door.
