

Poetry Reading at Desperate Literature (with vodka!)

Head over to [Desperate Literature](#) on Friday night at 8pm for an evening of poetry with James and Marian Womack, reading from James's newest translations of the great Vladimir Mayakovsky. Thanks go out to [Carcenet Press](#) for giving Desperate Literature the rights to print a limited edition pamphlet of the poems to accompany the evening.

Not only will there be poetry, but we'll also be swilling Vodka like there's no tomorrow!
