

Veggie Nirvana at VivaBurger in La Latina

In the foodie hotspot Plaza de la Paja, in *barrio* La Latina, lies a vegetarian oasis with an oddly beachy vibe, complete with pale teal walls, distressed white wood, and beaded curtains.

You can sit inside or at one of their lovely terrace tables in this little nook of La Latina. While there's almost always a full house (and for good reason), the staff works like a well-oiled machine, and the owner treats everyone like family.

Everything on the menu is vegan or vegetarian—and seriously delicious. Being shamefully addicted to cheese, I was admittedly nervous to try their vegan burger of the day. But it exceeded my expectations in every way: **filling, creamy, and flavorful, it left me more than satisfied.** It comes with a salad or soup, fresh fries, and a drink (can be wine or beer too).

If you're not feeling a veggie burger, the eatery offers an **alternative *menú del día***: they celebrate a different country every day with a rotating international menu. Indian curry garam masala, Greek salad and musaka, Peruvian avocado ceviche, Moroccan couscous, Argentinian vegetable *parrillada* and empanadas... and about 20 others.

For dessert, I had a fresh mint green tea smoothie. Having a huge sweet tooth, it wasn't what I was expecting, but it was flavorful and refreshing, especially on such a hot day. If you order dessert a la carte, instead of with the lunch special, you have lots of other options like their scrumptious carrot cake or vegan ice cream.

Amazingly, the burger for the menú is apparently a more “basic” veggie burger. If that’s basic, I can only imagine the

full menu is mind-blowing. I'll for sure be back for more.
